About University

The Central University of Rajasthan (CURaj) was established in 2009 by an Act of Parliament as a new Central University, and is fully funded by the Government of India. In order to meet the challenges of the knowledge era and to keep pace with the knowledge explosion in Higher Education, the Central University of Rajasthan is committed to inculcating and sustaining quality in all the dimensions of Higher Education viz. teaching, learning, research, extension and governance while catering to the regional and global needs. CURaj offers 50+ Masters and PhD programmes in its 21 departments. CURaj is ranked 34 by NIRF, the best among the universities established in 2009 or later and accredited 'A' grade by NAAC and recently selected to be an aspiring applicant for the Institute of Eminence by MHRD, Government of India. CURaj has been granted more than 80 national/international research projects amounting more than 23 Crores. The University operates from its permanent campus of 550 (approx.) acres and it has adequate hostels housing nearly 2000 students in the campus.

Teaching Learning Centre (TLC)

TLC at Central University of Rajasthan was established in the year 2017-18 with a vision of support evidence based teaching and provides diverse opportunities for teachers. It is funded by MHRD, Govt. of India under the Scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT). It is envisaged to help teachers to modernize their teaching style, to scaffold concepts and information in a way that students can meaningfully take in, and to help students learn more deeply and retain what they have learnt. It is also meant to train teachers about the new and effective methods of teaching and TLC will promote on a continuous basis, discipline-specific curricula, pedagogy, learning materials (including e-content) for use by the teachers in colleges and postgraduate departments.

About the Induction Program

Teachers play an enormous role in the lives of students. They have the ability to inspire, empower, and foster environments of self-confidence, passion, and nurturance or the complete opposite. The purpose of the induction program is to support newly recruited teachers to adjust him/her self in the current environment of new workplace as an employee, a professional colleague and as a community member. The induction program is to help teachers to modernize their teaching style, to scaffold concepts and information in a way that students can meaningfully understand and imbibe. It is also meant to train teachers about the new and effective methods of teaching and learning. The goal is also to promote the discipline specific curricula pedagogy, learning materials (including e-content) for use by the teachers in colleges and postgraduate departments/institutions.

It is to mention that as per the draft regulations of UGC-2018 an induction programme of one month shall be introduced for all newly recruited Assistant Professors in the universities /colleges/institutions ideally before the starting of their teaching work but definitely within one year of the recruitment of the new faculty member. In addition to the Human Resource Development Centers of UGC, Universities/Institutions with Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNTT) scheme shall also organize such induction programmes as per their mandate. These induction programmes will be treated at par with the Orientation Programmes already being run by the Human Resource Development Centers of UGC for the purpose of CAS requirements.
