ABOUT UNIVERSITY

The Central University of Rajasthan (CURaj) was established in 2009 by an Act of Parliament as a new Central University, and is fully funded by the Government of India. In order to meet the challenges of the knowledge era and to keep pace with the knowledge explosion in Higher Education, the Central University of Rajasthan is committed to inculcating and sustaining quality in all the dimensions of Higher Education viz. teaching, learning, research, extension and governance while catering to the regional and global needs. CURaj offers more than 70 Masters and PhD programmes in its 29 departments. CURaj is ranked 34 by NIRF, the best among the universities established in 2009 or later and accredited 'A' grade by NAAC and recently selected to be an aspiring applicant for the Institute of Eminence by MHRD, Government of India. CURaj has been granted more than 100 national/international research projects amounting more than Rs. 27 Crores. The University operates from its permanent campus of 550 acres (approx.) and it has adequate hostels housing nearly 1700 students in the campus.

Workshop on Effective Teaching (7-9 February 2019)

TEACHING LEARNING CENTRE (TLC@CURaj)

Teaching Learning Centre (TLC@CURaj) at Central University of Rajasthan was established in the year 2017-18 with a vision of support evidence based teaching and provides diverse opportunities for teachers. It is funded by MHRD, Govt. of India under the Scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT). It is envisaged to help teachers to modernize their teaching style, to scaffold concepts and information in a way that students can meaningfully take in, and to help students learn more deeply and retain what they have learnt. It is also meant to train teachers about the new and effective methods of teaching. TLC will promote on a continuous basis, discipline-specific curricula, pedagogy, learning materials (including e-content) for use by the teachers in colleges and postgraduate departments. In these directions, TLC@CURaj has successfully conducted several programs in recent past like (a) Ten Days Workshop on Teaching-Learning & Evaluation for Faculty Members of HEIs; (b) Induction Training Program for Faculty Members of HEIs; (c) Three Days Training Workshop on Effective Teaching/Learning Methods for Science Teachers of Schools (d) Five days workshop on Enhancing of Teaching and Learning Skills in Statistics.

OBJECTIVE OF THE PROGRAMME

In this modern age of teaching learning process it becomes extremely significant that a teacher must be well equipped not only with subject knowledge but should be well acquainted with effective teaching techniques and evaluation methods. The goal of effective teaching and learning is the overall development of a learner as a good human being and citizen of this country.

In this workshop, it is intended to familiarize participant to emerging issues for internet-based culture and digital age learning. Learners will explore the use of emerging technologies and their integration into higher education particularly in pharmaceutical sciences. Special emphasis will be given to research-oriented teaching in the pharmaceutical sciences. The focus will also be on the roles of pharmacists, designing MOOCs courses etc.

As per gazette notification of UGC dated 18 July 2018, this workshop shall be taken into consideration for fulfilment of the requirement for the promotion of University/College teachers under the Career Advancement Scheme (CAS).
