Research Interests

I am working as an Assistant Professor at the Mathematics Department, Central University of Rajasthan. My area of research is Analysis of PDEs, particularly in the areas of Calculus of Variations. The primary subjects of my research work include Fractional Differential Equations, Degenerate Elliptic Problems, Analysis of Chemotaxis Systems (Parabolic PDEs) and Lane-Emden Systems. Specifically, I investigate questions concerning exitence, uniqueness, multiplicity and asymptotic behaviour of solutions.

EXPERIENCE

Postdoctoral Fellow Indian Institute of Technology Bombay	11 June 2024-26 Nov 2024
Vikram Sarabhai Research Fellow Indian Institute of Technology Gandhinagar	11 July 2023-10 June 2024

F

EDUCATION		
Ph.D. in Mathematics, Indian Institute of Technology Gandhinagar Thesis title: Investigations on critical local and nonlocal problems Advisor: Jagmohan Tyagi Course-work CPI- 9.76/10	2020-2023	
M.Sc. in Mathematics, Savitiribai Phule Pune University, Pune CGPA: $9.8/10$	2017–2019	
B.Sc. in Mathematics, JMJ (Savitiribai Phule Pune University) Percentage: $93.94~\%$	2014-2017

TEACHING EXPERIENCE

Graduate Teaching Fellow at IIT Gandhinagar
 MA 102 Calculus of Several Variables and Complex Variables
 Graduate Teaching Fellow at IIT Gandhinagar
 MA 203 Numerical Methods
 Summer, 2021-22
 Fall, 2023-24

• Graduate Teaching Fellow at IIT Gandhinagar

MA 204 Partial Differential Equations

Fall, 2023-24

 Teaching Assistant at IIT Gandhinagar MA 507 Ordinary Differential Equation MA 603 Partial Differential Equations MA 624 Stochastic Differential Equations

AWARDS AND ACHIEVEMENTS

• (CSIR-NET JRF with AIR-47	2019
• (Graduate Aptitude Test in Engineering (GATE)	2019
• 5	State Eligibility Test (SET) for Assistant professor, Maharashtra	2019
• 5	Secured 5th rank in the university as an overall topper of BSc	2017
• I	Recipient of the PUMATH scholarship of Dept. of Mathematics, Savitribai Phule Pune University	2018-19
• I	Recipient of the Mahatma Jyotirao Phule Gunvant Vidyarthi Scholarship, Savitribai Phule Pune University	2018

SKILLS AND CERTIFICATES

- Computer Programming: Python, Matlab (Basic).
- Typing Software: LATEX.
- Certificate in Scientific Writing, awarded by IIT Gandhinagar, 2022.
- Python Basics Bootcamp, Conducted by DPhi, 2022.
- Languages: Can read, write and speak Marathi, English, Hindi.

CONFERENCES AND WORKSHOPS

- A Symposium on Luis Caffarelli's works, TIFR CAM Bangalore, 05-09 June, 2023.
- Workshop on analysis of differential equations, IIT Gandhinagar, 01-03 March 2023.
- 37th annual conference of Ramanujan mathematical society, SSN college of engineering, 06-08 December 2023.
- Lecture series on Elementary Elliptic PDEs at IIT Gandhinagar, Feb-2021 (Instructor: Enrico Valdinoci).
- Lecture series on Analysis of Chemotaxis Systems at IIT Gandhinagar, Feb-2022 (Instructor: Michael Winkler).
- Workshop on inverse problems and related topics, ICTS Bangalore, October 2021.
- Research meet on partial differential equations: recent developments, IIT Gandhinagar, February 2020.
- Mathematics training and talent search programme (MTTS), IIT Madras, June 2016.

Talks/Seminars

- Distribution theory and its applications to PDEs, Graduate Student's Seminar, IIT Gandhinagar, 24 March 2023.
- The Neumann problem for a class of semilinear fractional equations with critical exponent, IIT Gandhinagar, 03 march 2023.
- Fractional Laplacian and nonlocal problems, Graduate Student's Seminar, BITS Goa, 16 January 2021.
